Prelude

Announcements, Joys and Concerns

Passing of the Peace

P: In the name of Jesus Christ let us greet each other as we begin this service of worship.

The peace of the Lord be with you.

C: And also with you.

Invocation

P: In the name of the Father, of the Son, and of the Holy Spirit.

C: Amen.

Call to Confession

P: God is Creator. In our secret thoughts and desires we have sinned against God. Even our best intentions are so feeble. Jesus Christ invites us to confess our sins.

Confession

All: Almighty God, you have created what we humans need to sustain our earthly lives. We confess that we have neglected to care for your creation. We have carelessly used the soil, air, and water. We have forgotten how to love. We have forsaken the needs of future generations. Our concern is for the immediate satisfaction of our own greedy interests. Forgive us and set us on a new path pleasing to you. We pray in Jesus' name. Amen.

Assurance of Forgiveness

P: Through Jesus Christ God knows us and accepts us as we are. God hears our prayers and forgives us all our sins. Walk forth renewed and refreshed on the pathway of life

Hymn 554 **This Is My Fathers World**

Greeting

P: God, our Creator, you have ordered seedtime, sunshine, rain, and harvest. You have created the seed, soil and water so there may be food for all your people.

May we honor and care for these elements that sustain our earthly life. As the food nourishes our body may we be filled with praise and thanksgiving for our Creator.

Blessing of the Rogation Elements

Introduction to Blessings Psalm 147: 7-9

P: Sing to the Lord with thanksgiving;

C: Make music to our God on the harps.

P: He covers the sky with clouds;

C: He supplies the earth with rain
and makes grass grow on the hills.

P: He provides food for the cattle
and for the young ravens when they call.

All: Praise the Lord.

Blessing of the Seed (Pastor scoops up the seed and pours it back)

P: God you have given us these seeds

C: They have a past. They are the fruit of the past. They have a present. They are to be planted into your soil. They have a future. They are to bear fruit for the harvest. May the miracle of life within these seeds burst forth yielding a bountiful harvest. Bless these seeds and those who plant them.

Blessing of the Soil (The Pastor scoops into the soil and pours it back.)

P: God you have created and given us this soil.

C: The soil serves as the medium for the seed to grow, it cleans water, it regulates climate, it provides warmth, nourishment and support so that new life may emerge. Bless this soil that it may feed and nourish the seed. Bless those who work this soil and harvest the produce.

Blessing of the Water (The Pastor fills a cup with the water and pours it back.)

P: God, this water is your creation.

C: Water gives sustenance and nourishment to the soil and the seed. Bless the soil and the seed with gentle rain. Bless this water. Let it come as rain at the right time, in the proper amount so that the seed may flourish and grow. In your mercy send us favorable weather so that the harvest will be bountiful.
