

Teach, inspire whole life stewardship for Lent

Compiled by SOLI

God's people are yearning for tools and help them draw closer to the divine. Here are a number of resources that you can use to help Lent be a time of focus on stewardship of our time, talent, treasure, and planet. From a variety of sources and in a number of formats, there's something for every need.

[Creation Care Devotionals](#) – With climate change bearing down on our planet, devotionals dealing with creation care are certainly timely. Earth Ministry has a number to choose from. Some from earlier years are easily adapted.
